ABOUT ME

I am an enthusiastic AI-ML student with a strong foundation in programming and web development. Passionate about solving real-world problems through innovative projects. Looking for an internship to apply technical skills, collaborate with professionals and gain industry experience.

EDUCATION

AMRITA VISHWA VIDYAPEETHAM | B.Tech in Artificial Intelligence
Sep 2023 - June 2027 | GPA: 7.06 (as of now)

KSN JUNIOR COLLEGE | Intermediate, PCM (Physics, Chemistry, Mathematics)
Aug 2021 - May 2023

GOWTHAM MODEL SCHOOL | High School Diploma
July 2009 - April 2021

SKILLS

PROGRAMMING	WEB DEVELOPMENT	AI/ML	OTHER SKILLS
C, Python, Java	HTML, CSS, JavaScript	Machine Learning, Cloud Computing	Problem Solving, PPT Designing

LANGUAGES

Telugu (Native) • Hindi (Proficient) • English (Fluent)

EXPERIENCE

AMRITA VISHWA VIDYAPEETHAM | Undergraduate Student - CSE AI
Aug 2023 - Present | Amaravati, India

PROJECTS

ML SONG RECOMMENDATION SYSTEM | Individual Project | Python
Developed a recommendation model using ML techniques to suggest songs based on user preferences.
GitHub

OTT WEB APPLICATION | Team Project | HTML, CSS, JavaScript
Built a web-based entertainment platform allowing users to stream and explore various content.
GitHub

ML CARDIO DISEASE PREDICTION SYSTEM | Individual Project | Python
Implemented a machine learning model to predict cardiovascular diseases based on health parameters.
GitHub

CERTIFICATIONS

AWS CLOUD ENGINEER CERTIFICATION | Completed in collaboration with Amazon Web Services (AWS), May - June 2024.

CORIZO CERTIFICATE OF INTERNSHIP | Artificial Intelligence
July 2024 – August 2024

CORIZO CERTIFICATE OF TRAINING | Artificial Intelligence
June 2024 – July 2024
